Passage 1. Read the passage and answer the questions

The country's GDP increased by 0.9 percent in the third quarter of 2016; significantly higher than the rate of 0.4 percent seen in the previous quarter.

No one sector can be held responsible for the increase, as there was growth across the board in each of services, construction and production.

Services output rose to 1.0 percent, and the largest contribution to this was the Business and Finance sector, which rose by 1.3 percent. Communications, Government services and Hospitality also rose, but there was a decline in Transport and Distribution.

Construction output rose 3.4 percent in this quarter, a considerable improvement from the second quarter, in which output decreased by 1.6 percent.

Total production output grew in the third quarter at a rate of 1.0 percent, the same rate as in the previous quarter. Electricity, gas and water supply output contributed most to growth in the production sector, as output rose from 0.8 to 1.5 percent. Manufacturing, mining and agriculture all decreased during this period.

Passage2: Read the letter and choose ONE correct answer

Dear Helen,

I would like to congratulate you on organising such an excellent and informative workshop. I know a lot of people learnt a great deal from it. Can you pass on my thanks to Doctor Friedman for his fascinating talk on Staff Motivation? I realise how lucky we were that he was able to find the time for us. The feedback from the staff was very positive. Let's hope we actually see an improvement in staff motivation as a result!

By the way, I'm missing my list of addresses of the delegates who attended. Did I happen to leave it in your office? It's just that I haven't seen it since our meeting on Friday.

Thanks again for a great day,

Anne

 - B. It included several talks.
 - C. It lasted one day.
 - D. Motivation was the only topic discussed.
3. What can be implied about Dr Friedman?
 - A. He works in the same office as Anne.
 - B. He has a very busy schedule.
 - C. He is a leading expert on staff motivation.
 - D. Anne knows him better than Helen does.
4. What is the expected result of the workshop?
 - A. More discussion would be raised.
 - B. Staff like joining the further workshop.
 - C. Changes in staff motivation policies would be made.
 - D. Staff motivation would be better.

5. What has happened to the address list?

- A. Anne has lost it.
- B. Anne has found it.
- C. Anne has sent it to Helen.
- D. Anne has completed it.
